HBA STUDENT MINISTRIES

WHAT IS HBA?

The Holston Baptist Association or HBA is made up of over 90 churches in six counties across northeast Tennessee. A community of believers sharing, uplifting, encouraging, supporting each other, and our churches as we engage in the world around us and share the love of Christ Jesus. The HBA Student Ministries is led by youth leaders from within the Holston Baptist Association. If you would like more information about HBA or would like to get involved, email us at hbastudentministries@gmail.com or check us out at hbastudents.org.

OUR MISSION

The HBA exists to serve, strengthen, and unite sister Southern Baptist Churches in their efforts to engage, touch, and transform lives through the power of Jesus Christ.

OUR METHOD

"Churches Helping Churches!" We love to help connect God's people with God, but we also love to help churches connect with churches. By helping churches work together, we discover and develop equipping resources that help our communities connect with God.

OUR GOAL

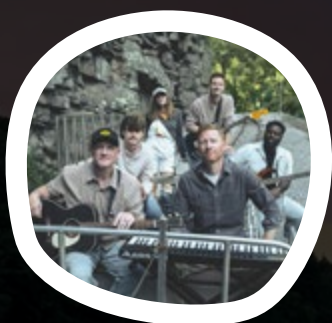

To have every resource focused toward the transformation of young lives. The HBA Student Ministries hopes to do that by partnering together for this conference, mission trips, united worship events, and Disciple Now weekends.

SPEAKERS & WORSHIP

NICK PERSON

Nick Person has had the privilege of being in full-time ministry for more than twenty years and is still learning. The best thing he gets to do is to be a son of the King, a husband to Laura for more than sixteen years and a dad to Ava, Jax, and Nash. He currently serves as the Executive Pastor at New Hope Church in Durham, North Carolina. He has had many opportunities to communicate the gospel and has a passion to share the steps of walking out your faith.

ADORATION MUSIC

Created by the non-profit ministry, Adoration Life, Adoration Music is a collective of worship leaders, song writers, and musicians from multiple churches united in the purpose of exalting Jesus Christ through music.

BREAKOUT LEADERS

Youth pastors and leaders throughout the churches that make up the Holston Baptist Association will be leading breakouts for students to dive deeper into what it means to Be Still & Know.
